**Program Outcome**

**Session**

2018-19

Our college offers UG and PG programs in Arts, Social Sciences, Science and Commerce (UG) for the students admitted based on merit.

Outcomes during academic session 2018-19 are as follows:

- Students have secured excellent positions in annual and semester exams in PG and UG programs at university level.
- Several students from BSc and BCom joined the industrial sector near Obra, such as Hindalco, Ultratech Cement factory and Obra power plant.
- PG scholars have cleared the competition for government vacancies and joined teaching positions.
- Students from BCom background are working in the financial sector such as Bank and small financial setup.
