Policies for Enhancement of Academic and Physical facilities

This college has formed various committees to deal with the academic and financial aspects of resources for better academic improvement. The procedures and policies to maintain and utilize physical, academic and support facilities like laboratory, library, sports complex, computers, classrooms for the academic session 2018-19 are as follows:

The campus development plan is discussed among faculty members and student representatives and IQAC and head of the institute finalizes the plan to execute it. The grant released persistently from the Department of Higher Education of Uttar Pradesh to the college is enough to finalize smaller work and expenditure. Moreover, the bigger plan is solely subject to large budgetary allocation, which on request the directorate of higher education, Allahabad allocate with instructions.

The academic agenda associated with timely completion of course, organizing seminars/discussion and student related extracurricular event is accomplished after significant discussion among faculties and IQAC. The budget allocated for academic development is largely associated with the advance infrastructure development in development.

College continuously engages itself to augment the support facilities for laboratory equipment, library books, sports complex, computers, and classroom. The committees decide the purchase of equipment and the IQAC approves it after intense consultation with Principal of this college. The plan of budgetary allocation and related expenditure is conditional on the availability of financial resources, which is normally done as per required physical facilities.
