**CAPACITY BUILDING AND SKILLS ENRICHMENT INITIATIVES**

2020-21

The Covid-19 has affected the academic session, however various programs related to skill enhancement were organized in the session 2020-21.

- The computer center has provided an opportunity to students to learn and improve skills in basic computing during Covid-19 months since September 2020.
- Students and faculty members have practiced yoga for good health and workout on gym equipment at gymnasium maintaining social distancing.
- An online one-day workshop on Road safety was organized through Zoom.
- Learn from home was initiated in September 2020, those stayed in quarantine zone.
