

Internal Quality Assurance Cell (IQAC) Government Post Graduate College Obra, Sonebhadra

Quality Initiatives

2020-21

- **Gymnasium setup**

A gymnasium has been established on 19 February 2021 as per direction of Higher Education Department for students and faculty members with assistance received from RUSA.

- Due to Covid-19 outbreak, the college was closed, and online activities started i. e. classes, faculty meeting, webinar etc.
- College has provided proper support to students and provided access for online learning.
- A **Covid-19 help desk** was setup in April 2020 for overall support of transmitted positive person including staff. The desk also supported the mental fitness of student by connecting them online and on a call.
- Desk had the **Oximeter and temperature measuring equipment** for preventive measures during Covid.

- In November 2020, the classes on rotation with physical distancing rule initiated, however the turnout was low.
- In January of 2021, 09 Tablets has been purchased from GeM for the educational use by the students in their class hours as well as during late hours on the issue basis those residing in boy's hostel.
