Responses Analyzed

Alumni has indicated that the placement after completion of course work is not very satisfactory, however there is a need for abundant access to e-resources for study and research. Alumni meetings are very less, which needs to be focused and regular. The use of laboratory during class hours is lacking, needs improvement.

Action Taken of Feedback

Alumni clearly reacted to the feedback in online mode, which has been analyzed by IQAC. The points which are completely linked to the college academic development have been concluded/ planned.

Suggestions from Alumni	Action Taken
E-resource	The college has decided to take the annual subscription of N-List for open access on online journals and study materials
Alumni Association Meeting	College continuously organized Alumni meet after new admission process complete, and get suggestion on record
Labs and field studies	Laboratories are functioning properly, and students do visit during lab hours where faculty members of concerned course monitor them, teach them. The research cell is active in college, an outline has been prepared for the field study in UG, PG and PhD research work
