### Government Post Graduate College, Obra, Sonebhadra

---

#### Program Outcome

##### Session

2019–20

Our college offers UG and PG programs in Arts, Social Sciences, Science and Commerce (UG) for the students admitted based on merit.

Outcomes during academic session 2019–20 are as follows:

- Students have secured excellent positions in annual and semester exams in PG and UG programs at university level and received recognition from the university affiliated.
- Several students from BSc and BCom joined the industrial sector near Obra, such as Hindalco, Ultratech Cement factory and Obra power plant.
- Many of the UG course enrolled and pass out joined the PG programs in their respective subject in other higher educational institutes especially in Math, Botany and in English.
- PG scholars have cleared the competition for government vacancies and joined teaching positions as well.
- Students from BCom background are working in the financial sector, students from BSc have joined professional courses in different colleges/ institutions after completing their course work from this college.
- Not only joining institutes and services, but students have also performed better in social and political activities after completing their courses.
- Students learned rational views, empirical approach and ethical norms after completing their courses.
