REPORT: 2022 23

College has not received any complaints related to sexual harassment and ragging cases in academic sphere and in the hostel (boys). The strict punishment has been determined for those involved in any kind of miscreant, and this has been mentioned in Code of Conduct (UGC's directives on ragging and sexual harassment activities within campus) for students as well. 'Ragging is punishable offence' has been printed on main entrance and students are informed of rule related to such misconduct. The complaint box is kept near the administrative office for transparent action if any situation surfaces. Committee on 'No to Sexual Harassment' of students comprising girls and female faculty members is enthusiastically working to guard such behavior from students or male teachers.
